LAMMHULTS

PROJECTS N°5

WE WILL ALWAYS BE MODERN, OUR DESIGN ALWAYS ESSENTIAL

LAMMHULTS

Established 1945 in Sweden, Lammhults was founded on the principles of the Modern Era. Today you can follow the tracks back in time through our rich heritage of design classics. Timeless pieces of furniture that also point to the future. Unique designs characterized by innovation and aesthetic awareness that never go out of style. Our products are spread all over the world and are used within the following sectors – *corporate, education & culture, hospitality & travel, healthcare and home*. A fraction of these projects are presented here. Who knows, maybe they are closer than you think?

THE MODERNIST PRINCIPLES WE FOLLOW

From our point of view, clarity of design, truth to materials and industrial production are the essence of the *Modern Movement* – principles we have shared and promoted throughout our history.

THE ESSENTIAL DESIGN WE CREATE

For more than 65 years Lammhults has delivered its signature Scandinavian style to public spaces, homes and offices, creating a world of elegant modern interiors. Lammhults products are forward-looking and innovative. With each new product the rich tradition of Lammhults gives new life to the principles of the Modern Movement.
